Construction Refinements at the FBIB West Coast Station at Reseda, California

This is to advise that a recent unexpected resignation of a staff member at the FBIB Hawaii Bureau has made the need for an additional room for a civilian house at that station less urgent. The project for which $1,000 was authorized in memorandum dated 13 May 1948 to Chief, Services Branch, A & M, from the Assistant to the Executive for A & M, subject: Addition to Room to Government Quarters at Hawaii Bureau, FBIB, has been abandoned. It is requested that this amount be applied to alterations at the FBIB West Coast Station at Reseda, California requested in memorandum dated 18 June 1948 to Chief, Services Branch from Assistant Director OO, subject: Construction Refinements at the FBIB West Coast Station at Reseda, California.
